Myself, as well as my staff, hope that everyone had a wonderful Thanksgiving. It is the time of year for reflection, counting blessings and giving back to those less fortunate. At the Beech Zone our students were busy making bag lunches for the homeless. They decorated each bag and filled it with a turkey and cheese sandwich, also included was fruit, and a snack. It was delivered on 11/15 and was greatly appreciated by the Jan Peek Homeless Shelter in Peekskill.

Our students made Thanksgiving wreaths out of paper, leaves and foam, I hope everyone was able to see and enjoy their child's art skills.

We enjoyed our enrichment programs once again. Coach Chris had the students engaged in fun game of Corn Hole. Mrs. Vivian, our sewing instructor, helped students make aprons and headbands. Once again Nature of Things brought in some fun animals. Creatures such as a bearded dragon, a chinchilla, a Madagascar Hissing cockroach, a gecko, and a corn snake. We continue to

be amazed at the students' willingness to try and do new things.

Along with assisting our AM students with homework, our AM tutor has been engaging the students in cooking projects. This month the students made butter milk pancakes from scratch, and an orange syrup made from fresh oranges.

With the winter weather upon us, please remember to sign up with WHUD for any school closing or delays. If we have a delay our morning program is closed. Our program also closes when after school activities are cancelled.

As always please feel free to contact The Beech Zone if you have any questions or concerns.
