

WINTER 2019

## Lakeland Children's Center @ LTES

2019 rolled in as quickly as January has come to an end. Here at Lincoln Titus, we started our year off with enthusiasm and anticipation for new events, the school play, and all the after school activities that were in full effect.

Our first enrichment program of the year was an exciting one to say the least. We were dazzled with magic when Ziggo the Magician paid us a visit. The children didn't want the show to end. The show was enjoyable for kids of all ages and the staff too. After our first weekend of the month off, we came back to a Monday filled with beautiful jewelry. Michelle the jewelry lady came and brought us beautiful red white and silver beads to make special Valentine's Day gifts. We ended the week with Coach Chris who came and gave the children a fun Friday filled with games and hoola hoops. The very next Monday, we were joined again by Ninja Cat Studios and she brought us in a special treat; sugar cookies! She brought one for each child and they were able to decorate cookies however they wanted with yummy colorful icing. To end another fabulous month at Lincoln Titus we were once again visited by Paper Hearts Puppet master who taught the children to make their own puppets. Every child got to take a puppet of their own home.

In observance for Martin Luther King Jr., on January 21st, in honor of his great memory and legacy, school was closed. The following Thursday, January 24 the staff of The Lakeland Children's Center was given a beautiful staff appreciation dinner to knowledge their hard work and efforts to make this program a great one. A special thank you to Beth O'Hara for such a wonderful evening. As we quickly move into February we look forward to Valentine's Day crafts and gifts that are already coming to life.
