

## Lakeland Children's Center Newsletter

George Washington Edition

Dear families, first I would like to Thank Ms. Liz Gilbert for a great year 2017/2018 we wish her much success as Site Supervisor at the VC site, she will always be missed.

As the interim site supervisor for the PM program and on behalf of Mrs. Mandara the Am Site Supervisor, I would like to welcome our new children and welcome back our returning families, we hope you all had a delightful summer and are ready for the new school year.

We started our year with a small introduction to our daily routine as well as spent some time getting to know one another. We are outdoors as much as possible so we can enjoy what's left of the good weather. The children love playing sports with Mr. Michael. When we are indoors they are enjoying seasonal arts and Crafts.

Our enrichment programs already started. We were lucky to have Intrigue Dance and Fitness and Coach Chris in September. They are great at keeping the kids engaged and getting all their energy focused in the right direction.

We also started our tutoring program. We are fortunate to have our returning tutor, we encourage all kids to take advantage of the extra help!

As celebrate our children's birthday at the end of each month, our September birthday children enjoyed making their own birthday cake and helped with serving snack to their friends.

The Fun will not end, we still have a lot of enrichment programs coming, arts and Crafts and Celebrations. We will always do our best to keep LCC @ GW a safe and fun environment for your children.

On behalf of my staff and I, I would like to wish you all a wonderful year and thank you for the great communication through phone and email, this helps the Center to run smoothly.
