

Lakeland Children's Center Newsletter

Copper Beech Edition

We hope that all families had a relaxing and fun summer. Myself, as well as my staff, are excited to welcome the start of the new school year & are looking forward to getting to know all the new families as well as reacquaint ourselves with our returning friends.

Our staff hasn't changed much, our morning team will still have me, Diana Perrella as the Site Director, and our Teacher Aids will be Mrs. Linda, Mrs. Karen and Mr. Andrew. Our afternoon team welcomes Mrs. Carole, Mrs. Aileen and Mrs. Ellen, as well as myself as the PM Site Director.

The Beech Zone is happy to be able to continue to provide tutoring Tuesday, Wednesday & Thursday for both AM & PM. We strongly suggest that all students take advantage of our tutors. They are a great resource when studying for a test or simply getting homework done.

We have some fun enrichment programs in store & they will be in both our AM & PM programs on most Mondays & Fridays. We started the school year with Coach Chris in the morning & our PM students enjoyed Taco Tuesday. Not only did they enjoy eating the tacos but they prepared them too!

For all school closings or delays please listen to WHUD. Please note that if we have a delay in the morning, the Beech Zone AM program is closed as well. We do not operate on a delayed opening.

The Beech Zone is not a babysitting service it is a place for your child to be make friends and be social. With this thought in mind we have made a policy which prohibits the use of cell phones. No student is allowed to be on his/her cell phone at the Beech Zone. If your child needs to use the phone or if you need to contact you child, please call the Beech zone @ 914-962-2630.

OCTOBER 2018
